

State Convention Registration

Registration emails have been sent out to everyone that provided an email address. If you have not received an email, you may want to check your spam folder first before emailing us. You may not register through someone else's email. If you share an email, please send an email to Karen Hentschel at karen@gagop.org to have her set you up with a different email or a dummy email so you can register.

You may also register through the following links as long as you have provided us with an email. If you are a Delegate or an Alternate, the software will find you as long as your Name, Email and Voter ID match what we were provided by your county party.
