

Required Voter Registration Notice

Applicants have a choice to either personally return the application or permit another person or a private entity to return the application on the applicant's behalf.

Applicants are not officially registered to vote until eligibility has been determined by the appropriate board of registrars. If the applicant does not receive notification within 2-3 weeks after submitting the application, the applicant should contact the appropriate board of registrars for further information.

All applicants must provide to the county registrar one of the forms of registration identification either with the application or prior to or at the time of voting for the first time.

If an applicant's name does not appear on the official list of electors when voting at the polls, that person may be eligible to cast a provisional ballot.

An applicants' registration status and polling place location can be found on the Secretary of State's website at: www.mvp.sos.ga.gov/

This notice must be posted at the registration site or provided as a handout to all applicants.
